Holiday SCRABBLE

How It Works

1 Earn a letter

Each time an employee sends a recognition, they earn the letter matching the first letter of the badge name (Teamwork = T, Leadership = L, Reliability = R).

2 Spell holiday words

Collect letters and spell as many holiday-themed words as possible before the end of December. Earn points based on word length. Once earned, a letter can be used in multiple words.

3 Celebrate the winners

At the end of the month, award prizes for the most words created, the most points earned, and completing all words.
